## The Ninth International Conference on Organic Synthesis

*We welcome you to Riga, Latvia, for four days of organic chemistry, and a unique cultural, linguistic and social experience!*

The following chemists will present lectures:

<i>Riina Aav</i>	<i>Tallinn Technical University, Estonia</i>	<i>Peter Nielsen</i>	<i>University of Copenhagen, Denmark</i>
<i>Emily Balskus</i>	<i>Harvard University, Cambridge, USA</i>	<i>Per-Ola Norrby</i>	<i>AstraZeneca, Mölndal, Sweden</i>
<i>Inga Čikotienė</i>	<i>Vilnius University, Lithuania</i>	<i>Virgil Percec</i>	<i>Univ. of Pennsylvania, Philadelphia USA</i>
<i>Stephen Dalby</i>	<i>Merck, Rahway, USA</i>	<i>Sarah Reisman</i>	<i>Caltech, Pasadena, USA</i>
<i>Sheng Ding</i>	<i>Univ. of California San Francisco, USA</i>	<i>Travis Remarchuk</i>	<i>Genentech, Inc., San Francisco, USA</i>
<i>Frank Glorius</i>	<i>University of Münster, Germany</i>	<i>Stefan Schunk</i>	<i>Grünenthal GmbH, Aachen, Germany</i>
<i>Antonio Echavarren</i>	<i>ICIQ, Tarragona, Spain</i>	<i>Ryan Shenvi</i>	<i>Scripps Research Instit., La Jolla, USA</i>
<i>Nuno Maulide</i>	<i>University of Vienna, Austria</i>	<i>Brian Stoltz</i>	<i>Caltech, Pasadena, USA</i>
<i>Pavel Mykhailiuk</i>	<i>KNU, Kiev, and Enamine, Ltd., Ukraine</i>	<i>John Sutherland</i>	<i>MRC Lab. Mol. Biology, Cambridge, UK</i>
<i>David Nicewicz</i>	<i>Univ. of North Carolina, Chapel Hill, USA</i>	<i>Maris Turks</i>	<i>Riga Technical University, Latvia</i>

**Organizing Committee:** Victor Snieckus, (Queen's U., Canada), Eugenijus Butkus (Vilnius U., Lithuania), Jaan Pesti (Gelest, Inc., USA), John Duncia (Bristol-Myers Squibb, USA), Peteris Trapencieris (Latvian Institute of Organic Synthesis, Riga, Latvia)
